Charnwood Cove 3

The Charnwood COVE 3 is the largest stove in the Cove range. With a nominal output of 12kW and a maximum of 16kW it is ideally suited to a larger room, hall or open plan area. The Cove 3 is able to take a log length of up to half a metre and with its tall curved door offers a spectacular view of the fire. Once again it comes with a versatile choice of five base options and eight colour ways to suit different situations.

- Body material - Steel (cast iron door)
